Intent to Participate/Cooperative Agreement

The parties to this agreement have a common purpose, that of enhancing their local curriculum in a manner that will better meet the educational demands of our present and future technological society.

This purpose will be met through an arrangement whereby resources will be shared in a manner perceived by the cooperating parties as fair and equitable to all.

The North Dakota Century Code 54-40-08.1 authorizes such cooperative arrangements.

Now therefore, the parties to this agreement pursuant to the authority granted them by the NDCC, hereby agree as follows:

AUTHORITY: Each party will take whatever action is necessary within its local procedures to properly execute this agreement as drawn.

TERM: the term of this agreement is for one school year. *If a school wishes to discontinue membership for the following school year, notice needs to be given by March 1 of the current year.*

RESPONSIBILITY: each party to this agreement is individually responsible for the following:

Training: At least one staff member will be trained through attendance at scheduled Technology Education Workshops, or through an approved alternative training method.

Inventory: A staff member will be designated to receive and inventory equipment coming into and leaving the school.

Breakage: To repair equipment which is broken or becomes inoperable while in the member school except if such condition is the result of normal wear and tear.

Lost or Stolen: To replace lost or stolen equipment.

Supplies: To provide expendable supplies needed for the operation of the equipment by its staff and students where this need exceeds the supplies furnished by the cooperative.

PAYMENT: Each party to this agreement will pay **\$2,500.00 by March 1, _____**
