

Evaluating Curricular Resources for ELA Adoption

Activity 1: Pre-Recorded Informational Video - Available Feb. 6, 2025

Participants will access a pre-recorded, one hour informational video that introduces them to a number of resources to prepare for ELA resource adoption.

Activity 2: Live Training and Exploration of Resources - Feb. 20, 2025

Participants will examine different examples of curricular resources that align to each strand of Scarborough's Reading Rope, including fluency and writing. Then, participants will have an opportunity to browse some of those materials.
